Day-by-day itinerary

DAY 01

Arrive and Unpack Slowly

Settle into Paro with a calm first evening and a simple orientation to the week ahead.

DAY 02

Paro Valley Mindful Walk

Choose a gentle riverside or hillside walk, with time to visit a temple or simply pause over tea.

DAY 03

Punakha River Valley

Travel over Dochula and settle near Punakha; the afternoon is intentionally left open for rest.

DAY 04

Farmhouse Cooking and Fields

Learn the basics of a Bhutanese meal with a local host and walk through nearby fields at an unhurried pace.

DAY 05

Gangtey and Phobjikha

Follow the road to the broad glacial valley of Phobjikha, a place known for quiet trails and open views.

DAY 06

Gangtey Nature Trail

Walk a suitable section of the Gangtey Nature Trail, then take time for reading, journalling or a local hot-stone bath.

DAY 07

Return to Paro

Travel back through the mountains, stopping only when the group feels like it — the point is to leave white space.

DAY 08

Departure with a Lighter Pace

A final breakfast and airport transfer, or extend with extra nights if a slower return feels right.
